

IMPORTANT IRISH ART SALE – 26 NOVEMBER 2012

These are the prices realised, excluding commission and VAT. Lots for which no price is given are unsold and may be available for sale – offers invited. "T" indicates a tie bid sold to the first of two equal bids received. Errors and omissions excepted.

This was a very successful sale grossing over €1 million, with 75% of lots sold by number and by estimate. The top price was €70,000 for lot 33 Louis le Brocquy's *Adam and Eve in The Garden* tapestry. Over 250 people registered for the sale including bidders from USA, Canada, Australia, Hong Kong, India, Switzerland, France, Great Britain and Ireland. 92 bidders were successful, of whom 32 were new clients. 20% of the lots sold exceeded their higher estimate. The sale also raised €34,000 for the Penny Dinners charity, thanks to the generosity of singer/songwriter Sinéad O'Connor who donated two paintings – 150 and 151 – from her personal collection. The art market is thriving at Whyte's, where Irish art is truly valued.
